To Whom It May Concern:

I am in receipt of several public records requests (copies attached). I serve as the custodian of records' designee for the purpose of facilitating requests such as yours.

As you may be aware, it has been judicially determined that the legislative branch is not a governmental agency for the purposes of the Public Records Act. Therefore, its internal records are not open for inspection pursuant to §10-7-503. Nevertheless, the current practice of the legislature is to strive in good faith to be responsive to requests such as yours provided that you are a citizen of the State of Tennessee. Upon providing documentation of your citizenship in Tennessee, we will compile all documents falling under the scope of your requests and also to ask for further clarification on certain items contained in some of the attached requests.

Sincerely,

A handwritten signature in black ink, appearing to read "CRidley".

Connie Ridley
